

Funding compliance

- ✓ We offer the 15 or 30 hours free of charge to parents.
- ✓ We work with parents so that they can understand which hours and sessions can be taken as free provision and ensure that (as far as possible) the pattern of the entitlement hours are convenient for parents' working hours.
- ✓ We offer as many sessional care options as possible to support families to only take sessions beneficial to them including offering term time and year round
- ✓ We allow children to take up their free hours in continuous blocks if they wish to, with no artificial breaks in the entitlement hours.
- ✓ Costs of chargeable extras on our websites and are clear, and up to date. We show the amounts charged for all the chargeable extras listed, as well as the pattern of hours that parents and carers can take the entitlements.
- ✓ We ensure that parents know that any charges for meals, consumables, and activities are voluntary.
- ✓ We deliver the entitlements consistently, so that all children in our setting accessing any of the free entitlements receive the same quality and access to provision.
