

Your child's key person bag....

Within our setting we operate a Key Person system. To help you and your child learn more about their key person we have created **Key Person bags**.

The bag contains lots of exciting information about your child's key person including what they like to do and their interests. We have also included special books they like to read and clues to their hobbies such as ballet shoes or a chef's hat!

Each child can take home their key person bag where you can share their stories and become more familiar with them.

The primary role of the key person is to ensure all of your child's needs are met and that they are **safe and happy**. Your child's key person will work in partnership with you and your child, building up a caring and fun bond, allowing each child to enjoy their time with us.

Taking time to bond with your child, your key person will learn about your child's likes and dislikes and will plan according to your child's development and learning. They are happy to support any transitions or changes from within your home life for example the arrival of a new baby, a house move or even toilet training and to ensure your child has a wonderful time in our care.

We would ask that you enjoy sharing the information with your child but return the bag the following day to allow another child to enjoy it.

If your child would like to bring in their favourite story to read or special teddy or toy to share with their key person we would be delighted!

If you have any questions please ask your key person, who we know will be happy to help.

Have lots of fun learning all about us.
