**YOU'RE
INVITED**

An Invitation to join us for;

**A Parents Guide to the EYFS and
how children develop
and learn**

We would like to invite you to discuss the EYFS which guides childrens Learning and Development. We will share how we plan activities to meet children's individual needs and how you can support this at home.

You will also be able to look around the setting and see where your child plays and learns as we demonstrate activities they take part in.
