Learning of the Week - Sunflower Room

Each week we will be focusing our learning on a specific sound, shape, number and colour. This allows the children to have a deep and thorough understanding before moving on.

Children are encouraged to bring in an object that is associated with the sound, number, shape or colour.

Sound

The item should begin with that phonetic sound; for example; 'A' could be Apple or Ant (but not A as in Angel).

Maths of the week – incorporates numbers, shapes and colour.

Children will be ensuring that all foundations are in place. The learning in Sunflower room progresses as the children acquire in-depth understandings and may be repeated before moving on.

You can find lots of sounds and maths in the environment, traffic signs (circle or triangle), a red toy or a photo of your front door number, looking for objects with a phonetic sound.

Children love to share and if you are able to help your child find an item relating to the learning of the week they can bring this in to share with us. This could be an item or photo and we can add it to the sound or maths box and share it with our friends.

For the children returning to Sunflower Room they will continue to follow on with learning from the previous academic year. For the new children joining us the first term will be supporting them in circle time, listening to the rhymes and sounds, patterns within the songs and enjoying maths songs like 5 little ducks.

Story of the week & Song of the Week

We will do a story of the week and a song of the week, usually these will be in line with our planning and cover different areas of the EYFS. Throughout the year we are exploring traditional and modern stories and rhymes.

Thank you for all of your support

Week commencing	Sound of the Week	Maths of the Week
05/09/2022	'S' as in 'socks'	1
12/09/2022	A as in 'alligator'	2
19/09/2022	T as in 'tiger'	3
26/09/2022	P as in 'pop'	4
03/10/2022	I as in 'igloo'	5

10/10/2022	N as in 'nanny'	Circle
17/10/2022	C as in 'cat'	Square
31/10/2022	E as in 'elephant'	Triangle
07/11/2022	H as in 'house'	Rectangle
14/11/2022	R as in 'robot'	Yellow
21/11/2022	M as in 'mummy'	Red
28/11/2022	D as in 'dog'	Blue
05/12/2022	G as in 'goat'	Green
12/12/2022	O as in 'octopus'	1
02/01/2023	U as in 'up'	2
09/01/2023	L as in 'lollipop'	3
16/01/2023	F as in 'football'	4
23/01/2023	B as in 'bottle'	5
30/01/2023	Z as in 'zebra'	Circle
06/02/2023	W as in 'witch'	Square
20/02/2023	V as in 'violin'	Triangle
